NB. No Liquid gas cylinders are allowed within display halls.

Camping	Days/Night	Number of people	Gas & Size. Battery	FOC to all traders

CAMPING IS NOT APPLICABLE TO THIS SHOW

RISK ASSESSMENT NOTES FOR GUIDANCE

Using the guidelines shown below please consider what a risk there is to those building up trade and autojumble stands and to members of the public during the show. Outline the steps you propose to take to minimise that risk in the table below. If in your opinion there is no risk please print **NO RISK** and return the form.

HAZARD	WHO MIGHT BE HARMED	IS MORE CONTROL NEEDED TO CONTROL THE RISK
Look for hazards which you could reasonably expect to result in significant harm under the conditions at your plot. Use the following examples as a guide.	There is no need to list individuals by name - just think about groups of people doing similar work or who may be affected e.g	For hazards the hazards listed, do the precautions already taken
Slipping/tripping hazards Chemicals (e.g battery acid) Moving parts of machinery (e.g blades) Work at height (e.g from mezzanine floors) Pressure systems Vehicles (e.g fork-lift trucks) Electricity Dust (e.g from grinding) Manual handling Noise Lifting operation	Maintenance personnel Contractors People sharing your work place Operators Cleaners Members of the public Pay particular attention to: Staff with disabilities Visitors Inexperienced staff Lone workers - They may be more vulnerable	Meet the standards set by legal requirements? Comply with a recognised industry standards? Represent good practice? Reduce risk as far as reasonably practicable? To ensure safety have you: Adequate information, instruction or training? Adequate systems or procedures? If so, then the risks are adequately controlled, but you need to indicate the precautions you have in place. Where the risk is not adequately controlled indicate what more you need to do (the 'action list')
Fire Hazard e.g combustible materials (rubbish, flammable substances, LPG etc) and ignition sources (flames, smoking etc)	As above	Means of escape: fire detection and alarms. Fire fighting equipment and fire evacuation plan.

Please make as many copies of this form as you require
